Gatherings/Events: A maximum of two groups at the same time, Life Group or Ministry, can meet in the church building outside of Sunday Service hours. Life Group and Ministry leaders are to reach out to the church office to secure available time slots. Rooms available will be the small fellowship hall and the gym.

Non-church related activities: All non-church related gatherings will continue to be suspended at the church building. According to the CDC, large events and mass gatherings can contribute to the spread of COVID-19 in the United States via travelers who attend these events and introduce the virus to new communities. Examples of large events and mass gatherings include conferences, festivals, parades, concerts, sporting events, funerals, weddings, and other types of assemblies.
